100% cashmere - made in Italy

Con questo volume, oltre che ad esporre alcuni nostri modelli, vogliamo far conoscere la possibilità di personalizzare e di realizzare su misura l'art. scelto.

Il cliente ha la possibilità di farsi costruire un capo personalizzato, veramente unico, realizzato perfettamente per il proprio corpo e secondo i propri gusti.

Il cliente può scegliere i colori sempre disponibili dalla cartella dell'azienda.

Ordinare un capo su misura o in taglia standard, significa non avere bisogno di fare grandi scorte di magazzino, con un risparmio energetico notevole e quindi un ridottissimo impatto ambientale.

BUONA SCELTA

With this brochure, not only do we want to show you our latest models but also let you know that it is now possible to customize and have your chosen item tailormade.

Our customers can now personalise a garment so that it is is truly unique and perfectly fits your body and suits your tastes.

The customer can choose from a variety of colours which are always available from the company's portfolio.

Ordering a tailor made garment or standard size, means that we have no need to produce and keep large stocks in our warehouse which saves a significant amount of energy and thus also reduces our environmental impact.

HAPPY CHOOSING

lavaggio del capo | garment care

Mettere il capo al rovescio. Riempire una vaschetta con dell'acqua fredda e del detersivo delicato.

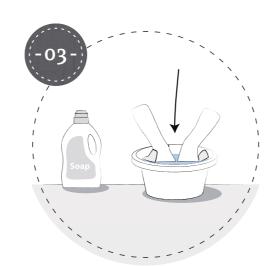

Turn the garment wrong side out. Fill a tub or sink with cold water and get some mild detergent.

Immergere e sciacquare delicatamente il capo, facendo attenzione a non allungarlo troppo.

Immerse the garment and swish gently, taking care not to stretch it.

Rimuovere il capo dall'acqua e aggiungere ancora detersivo (una minima quantità).

Remove the garment from the water and add a few drops of detergent to the water.

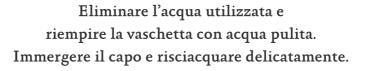

Immergere il capo di nuovo, tenerlo in ammollo muovendolo delicatamente.

Immerse the garment again, soak it and ball it up gently.

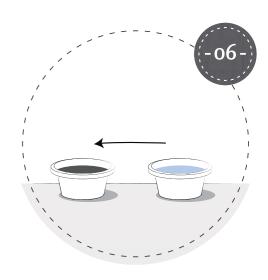

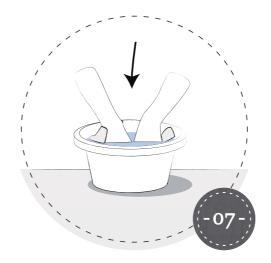

Eliminare l'acqua dal capo, senza strizzarlo o stirarlo.

Squeeze the water out of the garment without wringing or stretching.

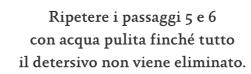

Discard water, and refill tub with clean water. Place garment in filled tub, and swish to rinse.

Immergere il capo e risciacquare delicatamente, facendo attenzione a non allungarlo troppo.

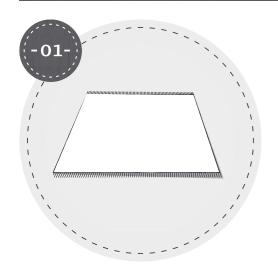

Immerse the garment and swish gently, taking care not to stretch it.

Repeat points number 5 and 6 with clean water until all detergent is gonedetergent.

come asciugare i capi in cashmere | how to dry cashmere garments

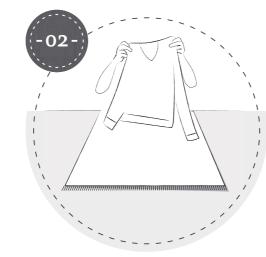

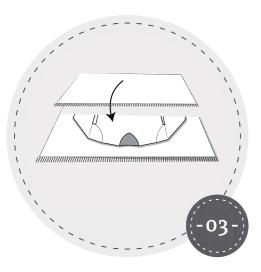

Procurarsi un asciugamano abbastanza grande.

Get a quite large towel.

Dopo aver eliminato l'acqua, appoggiare il capo su un asciugamano grande, a sua volta posizionato su una superficie piana.

After squeezing out water, lay the garment on a quite large towel on a flat surface.

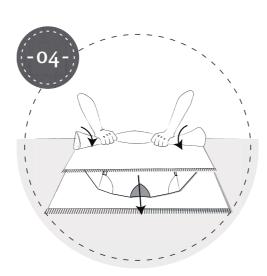

Piegare l'asciugamano fino a coprire il capo.

Fold the towel and cover the garment.

Arrotolare l'asciugamano e il capo insieme, in modo da rimuovere l'acqua, facendo attenzione a premere e strizzare delicatamente durante questo passaggio.

Gently roll the towel and garment together to remove moisture, squeezing and pressing as you work.

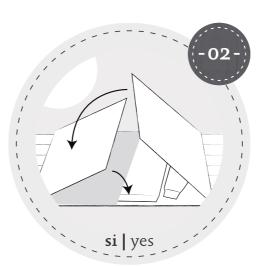

Non asciugare, ne conservare mai un capo in cashmere appeso ad una stampella.

Tenerlo lontano dal sole e dal calore.

Never dry or store a cashmere garment on a hanger, and keep it away from sun and heat.

Asciugare il capo su una superficie piana, (preferibilmente forata in modo da far circolare l'aria) e coprirlo con un asciugamano leggero.

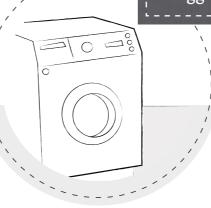

Dry the garment on a flat surface, preferably mesh, which lets air circulate, and cover it with a light towel.

Una volta che è completamente asciutto, è possibile rimuovere eventuale lanugine con un apposito dispositivo.

Once it is completely dry, it is possible to remove pills with a pill remover.

È possibile mettere il cashmere anche in lavatrice a patto che la temperatura dell'acqua possa essere impostata su fredda e la velocità minima.

If you prefer, you can also put cashmere in the washing machine. As long as you can adjust your water temperature to cold, and your cycle to low, then, sure, you can machine wash it.
